Off Road Park

**WANTS  
YOU!**

**Do you want an organized and managed riding area in Martin County? If so you can help!**

The Martin County OHV Club needs your support. we need to raise enough money to cover upcoming expenses. We are continuing the Site Plan process and finalizing the lease It is important to continue moving at a fast pace we don't want delays due to financial short falls.

We know there are enough interested people in the riding community that are willing to donate to this worthy cause. A \$75.00 minimum donation will give us enough money to get through this critical phase.

Please tell all your friends to visit the web site and become involved.
